TORONTO—July 05, 2022—Prime Video today announced that production has just concluded on *Pour un soir seulement (For One Night Only)*, its first collaboration with Juste pour rire TV / Just For Laughs TV. Each episode of the four-part Canadian Amazon Original comedy series features a different Francophone comedian performing a stand-up showcase in an unusual and surprising venue for an audience of die-hard fans. The featured comedian will also share the stage with a personally selected lineup of talent. The series, that was filmed entirely in Quebec, will launch exclusively on Prime Video in Canada later this year.

“Just for Laughs is one of the most influential players in the comedy industry. We are excited to work with them on this project and tap into their expertise in comedy and the Quebec audience,” said Nav Saini, head of content, Canada, Prime Video. “*Pour un soir seulement* is Prime Video’s second Canadian produced French-language comedy series, following the recent announcement and production of *LOL: Qui Rira Le Dernier?* with host Patrick Huard.”

Chief Content Revenue Officer for Just For Laughs Group, Marina di Pancrazio added, “Prime Video offers their subscribers an ever-growing selection of award-winning and critically acclaimed Amazon Original content to enjoy, along with an unrivalled collection of series, movies and sports. We are delighted to be working with them to further enhance their catalogue of Canadian Francophone content. Showcasing some of Quebec’s foremost Francophone comedians, we are certain that *Pour un soir seulement* will prove popular with viewers.”

Vice President of Francophone Content and Executive Producer, Patrick Rozon also commented, “After nearly two years of being apart, we wanted to create something uniquely special with *Pour un soir seulement* that celebrates the feeling of experiencing live comedy once more. Not only have our artists chosen which comedians to share their personalized evening with, they have also selected original venues that complement their own inimitable style. The result is an eclectic comedy tour of the province of Quebec that is sure to captivate viewers.”

The first episode of *Pour un soir seulement* features comedian PA Méthot. Filmed on May 24 at Morrin Centre in the historical heart of Quebec City, PA and his guests treat their audience to an evening of suspense and intrigue with mysteriously cloaked surprise guests and dramatic entrances galore against the backdrop of a nationally recognized cultural monument.

Next, comedian Dominic Paquet and guests enjoy a virtual tropical beach vacation when they entertain their audience live from the Coconut Bar in Trois-Rivières. Virtually unchanged since 1963, when the owners returned from their honeymoon inspired by all things Tahitian, the Coconut Bar is listed as a must-see by the Quebec Heritage Kitsch directory. Expect bright summer shirts, exotic cocktails, and retro tiki bar chic.

Romance is in the air for the third episode, featuring Rachid Badouri. Filmed at the Centre des Sciences in Old Port, Montréal, the theme of the evening is love and marriage when Badouri and guests take the stage—and vows may even be exchanged at the end of the show! Set along the banks of the St. Lawrence River, with sweeping views of the Old Port of Montreal, La Grande Roue de Montreal, and Jacques Cartier Bridge, the Centre des Sciences offers the perfect setting.

The final unforgettable episode was filmed on June 20 with comedian Mariana Mazza at the Fougounes Électriques in Montréal. Mazza and guests take to the ring, rather than the stage, to offer fans a knockout evening of comedy live from Fougounes Électriques, a true institution of Quebec’s underground culture and popular venue to see live wrestling matches. A fan of the sport since she was a child, Mazza’s energetic evening of comedy even includes some wrestling stunts!

Pour un soir seulement is produced by the Juste pour rire TV / Just For Laughs TV team that includes Emilie Corriveau, Head of French TV Development; Francoise Poirier-Charette, Executive Producer; Patrick Rozon, Vice President of Francophone Content and Executive Producer; and Marina Di Pancrazio, Chief Content Revenue Officer.

Pour un soir seulement joins recently launched Canadian Amazon Original series *The Lake*, *The Kids in the Hall*, *LOL: Last One Laughing Canada*, *All or Nothing: Toronto Maple Leafs*, and upcoming series *LOL: Qui Rira Le Dernier?*, *Three Pines*, and *The Sticky*. Since 2015, Amazon Studios has filmed more than 25 Amazon Original series and films in Canada, including *The Man in the High Castle* and *Upload* in British Columbia; *The Boys*, *Reacher*, and *The Expanse* in Ontario; *Tales from the Loop* in Manitoba; as well as parts of *Tom Clancy’s Jack Ryan* and *The Voyeurs* in Quebec.

Pour un soir seulement joins the thousands of TV shows and movies from Hollywood and around the world in the Prime Video catalogue, including award-winning and critically acclaimed Amazon Originals like *Reacher*, *The Boys*, *Upload*, *Harlem*, and Emmy- and Golden Globe-winners *Fleabag* and *The Marvelous Mrs. Maisel*.
